1 Turnover refers to total value of sales of merchandise, cash or credit in the reported period, whether from export or sales to the local market, as well as the value of sales of merchandise or goods processed on behalf or third parties and the value of all services rendered, including management fees, lease income, etc. The turnover is the basis for calculating the FFC.

2 The turnover tax (BBO 1.5%, BAZV 3%, BAVP 1.5%) is levied over the total Freezone Facility Charge amount.
